

## Press release

Krefeld, 2021-10-04

### **A continuation of a good partnership through a new rebuild order at Sappi Gratkorn**

Jagenberg Paper GmbH, with its headquarters in Krefeld, Germany, is an expert in the production and modernization of machines and systems in the paper industry. The company offers internationally customized solutions tailored to customer requirements.

Jagenberg Paper has received an order from Sappi Gratkorn to carry out a control system rebuild on sheeter 25. The rebuild concept has already been successfully implemented on sheeter 26 and 27. To further increase the production on this machine, two new catch carriages will be added. This further rebuild continues the very good and trusting partnership between Sappi Gratkorn and Jagenberg Paper that has developed over the past few years.

Assembly and commissioning by the experts from Jagenberg Paper will take place in August 2022.
